

Thank you for considering making a donation to the SITE Canada fundraising auction. Your contribution to our live or silent auctions enables us to fund SITE Canada initiatives including our Educational Reserve fund and member scholarship funds and support local charities in our community. We have donated a portion of the proceeds from various fundraising efforts to the following in the past several years: Anduhyaun, Canadian Red Cross, KidSport, LOFT, Yellow Brick House, The Redwood and more.

We don't need to explain that due to the ongoing COVID-19 pandemic, our three signature fundraising events (Summer Social, Golf Tournament and Holiday Social) have been greatly affected over the past two years. The Summer Social and Golf Tournament were both cancelled once again this year. However, we are extremely thrilled to be hosting our annual Holiday Social on Tuesday, November 30 at the Steam Whistle Brewery in Toronto as an in-person event.

This event is usually a sell-out success year after year and is an excellent opportunity to get exposure for your company. With this in mind, we are reaching out to ask how you might like to be involved in this year's Holiday Social. We are seeking both live and silent auction items and raffle prizes for our annual fundraising efforts and your continued support would be most appreciated.
